

# JISD Board of Trustees

## 2017-2018 Goals

### Academics:

JISD will focus on high standards of educational excellence, set high expectations and implement quality programs with a staff that is excited about teaching and working at JISD.

### Facilities & Operations:

JISD will have facilities, equipment and grounds that are clean, safe and promote community and school pride. Special attention will be given to the upkeep and appearance of existing facilities, while stressing preventative maintenance of facilities.

### Finance:

JISD shall be a good steward of public funds and resources.

### Community Relations:

JISD will openly communicate with all stakeholders to ensure that parents and community members will be partners in the education of all students at Junction ISD.
