

Ranching and Farming

Do you hire seasonal agriculture workers?

Do they travel with their families?

ESC Region 15 Migrant Program

San Angelo, Texas

325-658-6571

migrant@esc15.net

Serving Ranchers, Farmers and Families!

ESC Region 15 Migrant Program supplies migratory families with educational support and directs families with resources which may include: healthcare, immunizations and financial assistance.

The Migrant Program recognizes and respects the important contributions of migrant families in our communities. Along with you, *farmers and ranchers*, we will engage in a collaborative effort to provide migrant families with pathways to reach their full potential, while simultaneously improving the workplace.
